

UNDERSTANDING COURT CARDS with Leila Vey

Most people find court cards difficult to understand and interpret. This fun and informative course will help reveal the unique personalities illustrated on the cards so that they come alive. You will then have a clearer understanding of the valuable insight they can provide and the clarity of direction they can offer.

Course Outline:

- Introductions
- Court Cards and the elements:
 - Learn to think differently about the energies of court cards.
 - Get acquainted with the energies of each court card.
- Make it your own:
 - Learn to recognize the Court Cards at work in yourself and others.
 - Internalize court card energies by becoming one and interacting with other court “people” using a variety of fun improvisational exercises.
 - Enact several scenarios using the personalities of the court cards.
 - Learn how to tell a short story from the perspective of a court personality.
- Understanding Court Cards in readings:
 - Learn some spreads that put these personalities on center stage.
 - Learn how to interpret Court Card energies in the context of your favourite spreads.
